### **Statement on the Temple Student Government 2023 Elections**

To the Temple community,

As your Student Body President and Vice President, we wanted to take a moment to express our gratitude for the opportunity to serve our university and to wish all of the candidates in the 2023 Temple Student Government elections good luck.

We understand that running for student government is a significant undertaking, and we have great respect for each of you who have stepped up to take on this challenge. We encourage all candidates to run a positive and respectful campaign, focusing on the issues that matter most to our community.

As we prepare to pass the torch to the next generation of student leaders, we want to remind all students of the critical role that our student government plays in shaping our university's direction and priorities. Your voice and your vote matter, and we encourage you to take the time to research the candidates and their platforms before casting your ballot.

To those of you who are running for Student Body President or Vice President, we urge you to listen to the concerns and feedback of your fellow students, and to work tirelessly to develop concrete solutions to the challenges we face. Remember that you are running not just for yourself, but for the entire student body, and that your actions will have a lasting impact on our community. We know that each of you has the potential to make a significant impact, and we look forward to seeing your vision for our university.

In closing, we want to thank you all for the privilege of serving as your Student Body President and Vice President and wish all candidates the best of luck in the upcoming campaign season. We look forward to seeing the next chapter of our community's story unfold.

Sincerely,
