### A Farewell from Temple Student Government Leadership

Philadelphia, PA (May 1st, 2023) - As our terms as Student Body President and Vice President come to a close, we would like to take a moment to thank you all for letting us serve you. It has been an honor and a privilege to work towards the betterment of Temple and Philadelphia communities we call home. We are proud of the progress we have made and the accomplishments we have achieved together.

Over the past year, we have built TSG's government relations to the highest level seen, we communicated critical information about university changes and decision-making, we advocated for a safer campus and worked towards improving safety services, and most importantly, we made TSG a vocal force for change. Over the course of a year, we transformed the student government into an engaged body that kept in constant communication with students, and became the most active student government in Pennsylvania.

We would like to thank all of the dedicated members of the Temple Student Government who have made our ambitious goals possible and to the student body who supported us throughout our term. We could not have achieved what we did without your involvement and commitment to excellence.

We thank you for your trust in us and for giving us the opportunity to serve you. Your passion, ideas, and feedback have been invaluable to us, and we have always worked with your interests at the forefront of our minds.

As we leave office, we encourage you to continue being actively involved in shaping the Temple community. Be vocal, passionate, and persistent in advocating for the causes and issues that matter to you. Remember that your voices are powerful, and your actions can make a difference.

It has been an honor to serve you and we will always carry the spirit of the Temple community with us wherever we go.

Perseverance conquers.
