#### PRESIDENT AND VICE PRESIDENT REMARKS

Temple Student Government wants to wish everyone a good and relaxing break. This will be our last newsletter until the New Year!

**Temple Student Government** will be publishing a mid-year report for all Temple students to see. This report will contain information on what TSG did this past semester.

Be on the lookout in the New Year for upcoming Town Halls and events TSG will be hosting. Along with this next semester starts the election process, there will be more information on this later!

If you want to hang your artwork in the TSG office email **Wendy Liu** more details on this will be in the Communications section!

#### WHAT HAPPENED THIS WEEK

Molly Barron our Director of Accessibility and Health Equity, hosted a destress event in the SAC right before break! She would like to thank everyone who came out and participated. During this event, you could write what helps you "destress" on the board and pick up a coloring page or two. She also provided resources that Temple provides that can help you with stressful situations, or if you are experiencing conflict. This was a successful event and we hope to host more in the future!

**Peyton Giordano** our Director of Community Engagement would like to thank everyone who participated in her coat drive!

Next semester **Nate Weinberg** our Director of Campus Safety is organizing an event for TSG members to be educated on NARCAN and why it can be life-saving as well as optional education on how to administer it. More updates on this next semester!
