Statement on the Ongoing TUGSA Strike

We, the Temple Student Government, stand in support with Temple's teaching and research assistants in their pursuit of a living wage, healthcare expansion, and expanded family and bereavement leave. The hard work and dedication from Temple's TAs and RAs deserve a sustainable wage.

We call upon Temple University to reinstate tuition remission and the healthcare plans for the striking workers, and that Temple University reach an agreement without passing the costs onto students Temple is tasked with supporting.
